

Dear Business Partner,

Information related to the COVID-19 outbreak.

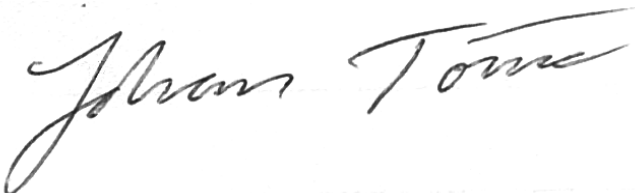

Emballator Tectubes is monitoring the development of the COVID-19 outbreak closely and is taking the necessary actions in order to meet our contractual obligations to our customers and to safeguard the health and wellbeing of our employees.

This means:

- Daily follow-up related to supply of raw materials and other business critical materials/supplies
- Continuous follow-up on staff health status
- Prioritize digital meetings over physical meetings
- Restricted access to our premises, applies to all visitors including truck-drivers and other business critical visitors
- Extended personnel hygiene routines for all employees and visitors
- Observation of any recommendations and/or restrictions that might be imposed by the authorities in charge

If you have any specific questions in this matter, please don't hesitate to contact us.

Best regards,

Johan Törner
